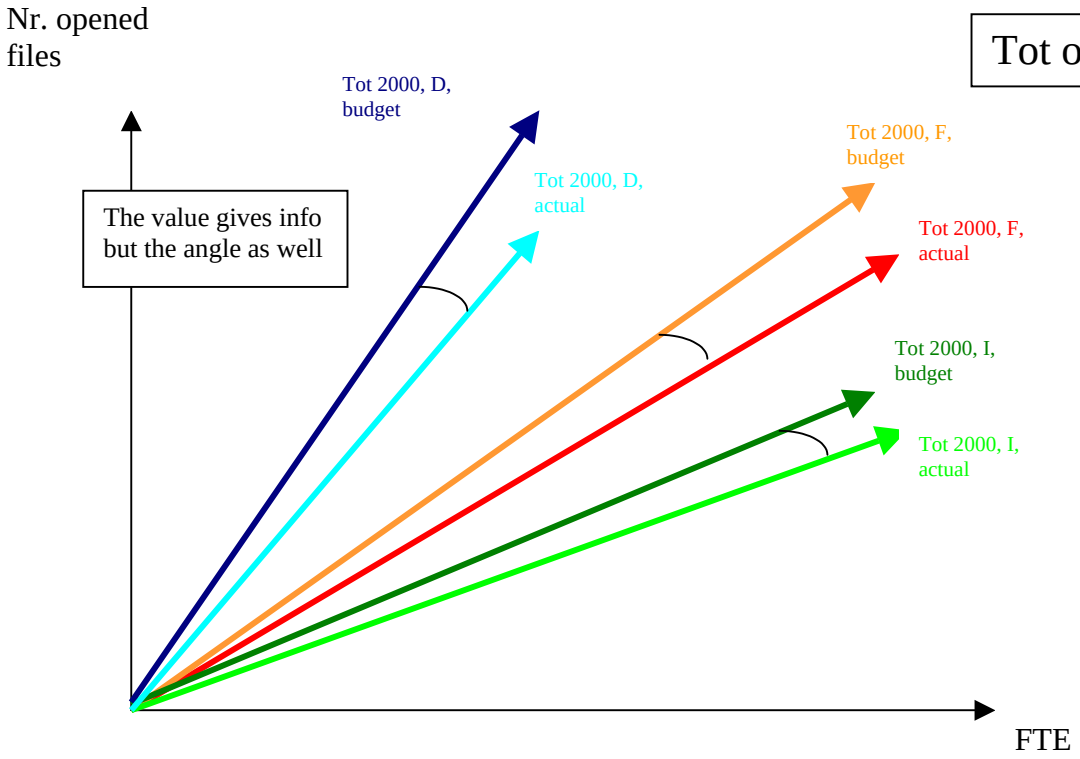
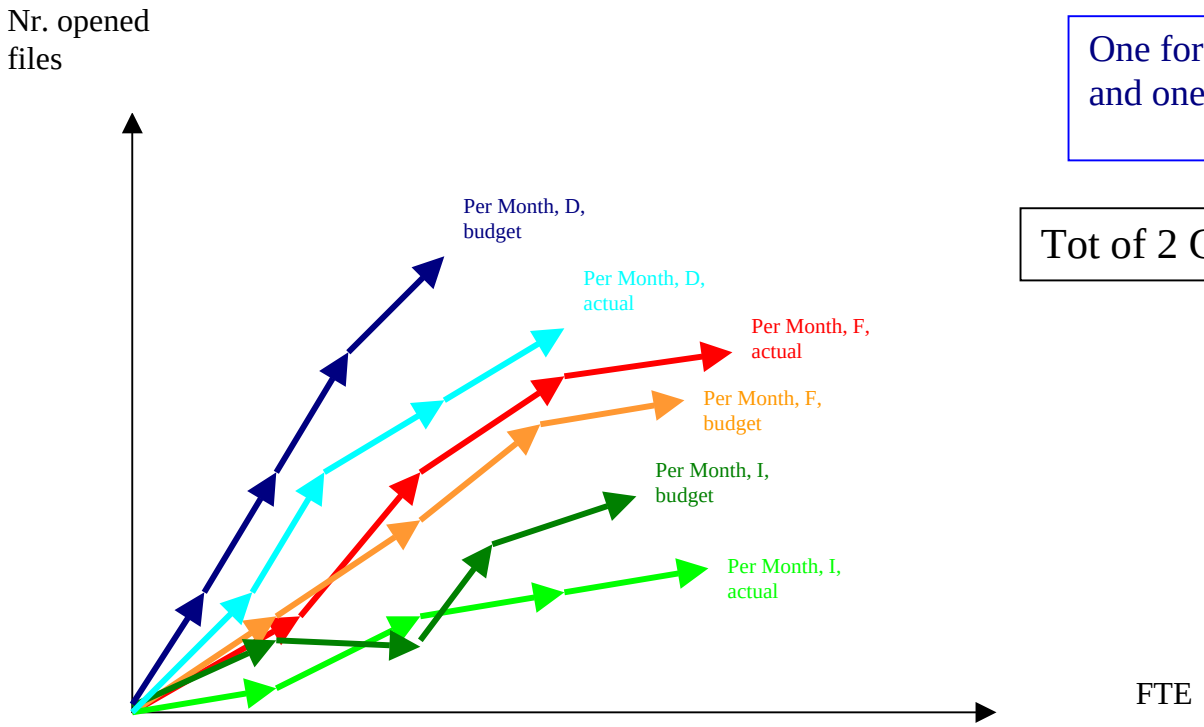
Graphs could be prepared for the KPI: *Opened Files / FTE*

One for EU
and one for IN

Tot of 2 Graphs



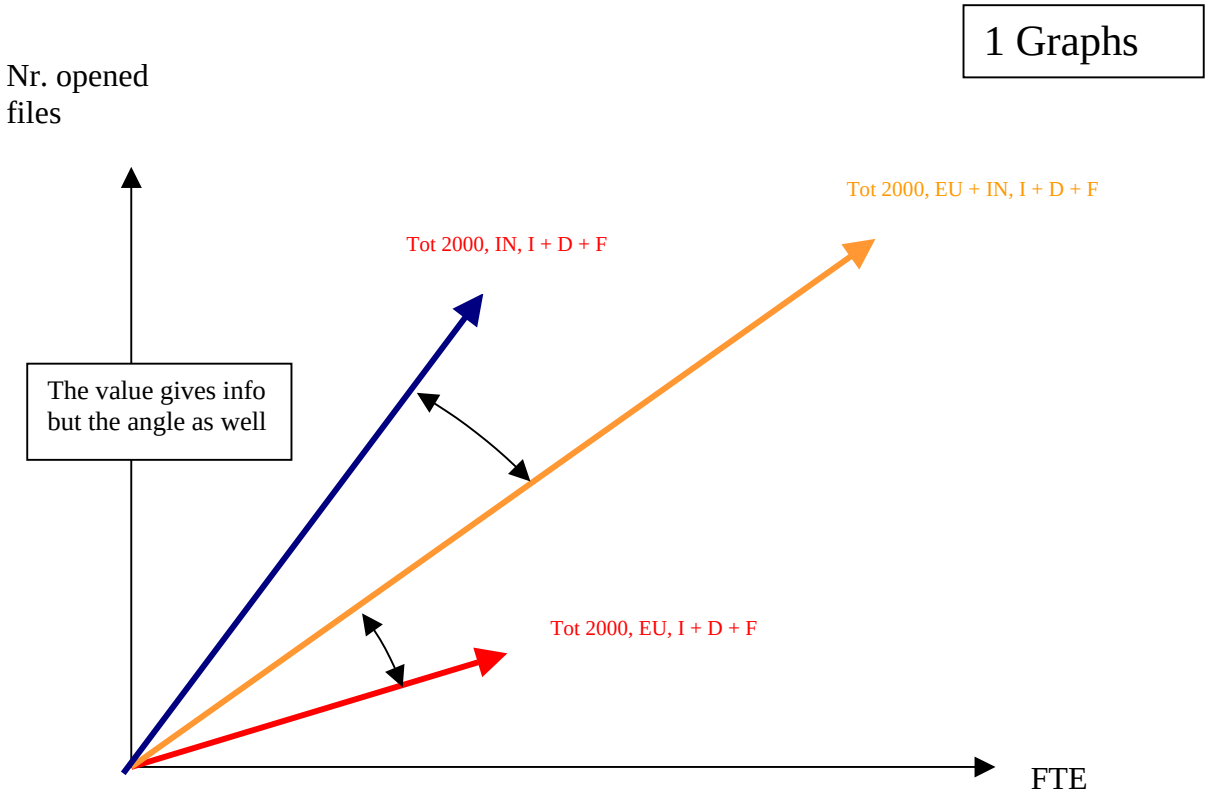
Graphs could be prepared for the KPI: *Opened Files / FTE*



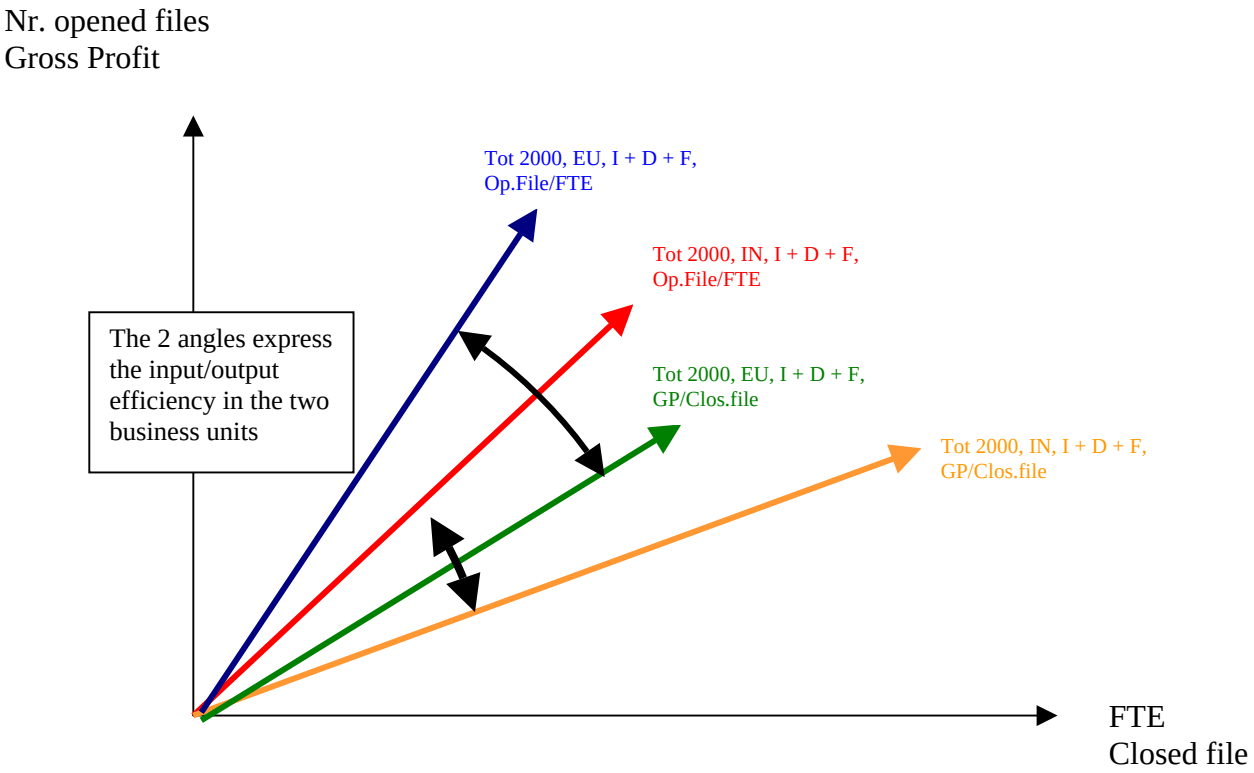
One for EU
and one for IN

Tot of 2 Graphs

Graphs could be prepared for the KPI: *Opened Files / FTE*



Graphs for the *combination of the two* previous KPIs



The above graph could be shown in details, e.g. per Land (only I value, only D value and only F value) or in comparison with the budget values.
